Progetto ECO

Un'accurata ricerca storica iconografica e un felice momento creativo hanno dato vita a questi prodotti di forte personalità e con le caratteristiche di unicità della produzione artigianale. Progetto ECO interpreta in modo nuovo ed esclusivo la nuova realtà della ceramica artistica progettando nuove forme e strutture architettoniche.

ECO Project

An accurate historical-iconographic research work and a favourable creative moment gave birth to these products that are marked by a strong personality and the uniqueness of hand-made production. ECO Project interprets in a new and exclusive way today's reality of artistic ceramics by designing new architectural shapes and structures.

Projet ECO

Une soigneuse recherche historique iconographique et un bon moment créatif ont abouti à ces produits de grande personnalité et caractérisés par l'unicité de la production artisanale.

Projet ECO interprète d'une façon nouvelle et exclusive la moderne réalité de la céramique artistique en réalisant des nouvelles formes et structures architecturales.

Projekt ECO

Eine sorgfältige historisch-ikonographische Untersuchung und eine glückliche kreative Zeit erlaubten das Schaffen dieser Produkte, die von einer starken Persönlichkeit und die Einzigkeit der handwerklichen Produktion gekennzeichnet sind.

Projekt ECO interpretiert auf eine neue und exklusive Weise die heutige Realität der artistischen Keramik durch Bearbeitung von neuen architektonischen Formen und Strukturen.
