The Eiffel Tower, emblem of modernity, of renovation, is the main inspiration of the collection "Micrometals", where elegant and finely worked shapes contribute to create architectural plays, rich in their simplicity.

La Tour Eiffel, embleme de modernite', de renouvellement est l'inspiration principale de la collection "micrometals", ou' des formes elegantes et ciselées contribuent a' creer des jeux architecturaux riches de leurs simplicité'

Der Eiffel-Turm, welcher für Modernität und Erneuerung steht, stellt die Hauptquelle der Inspiration für die Serie Micrometals dar ,wo elegante ziselierter Figuren zu der Gestaltung hochwertiger einfacherer Formen beitragen .

Коллекция "MicroMetals" обязана своим вдохновением символу современности и новизны Эйфелевой башне. Элегантные формы её элементов позволяют создавать богатую в своей простоте архитектурную игру.

Micrometals

La torre Eiffel, emblema di modernità, di rinnovamento è l'ispirazione principale della collezione " MicroMetals", dove forme eleganti e cesellate contribuiscono a creare giochi architettonici ricchi della loro semplicità.
